TAKE ACTION

SENIOR YEAR

IN FALL, APPLY TO GRAD SCHOOL

- Finalize a list of 15-20 programs for which you want to apply.
- Secure letters of recommendation. Letters from faculty & lecturers who know you well are most likely to influence admissions committees.
- Submit your applications at the same time to make it easier for your letter writers.

FIND A JOB

- Meet with a [Career Advisor](#) at the Career Services Center.
- Make sure your social media pages, co-curricular record & resume are polished and up-to-date.
- Join the UC San Diego Network in LinkedIn to receive interview tips and job hunting suggestions.
- Check [EconUGBlog](#), for employers specifically targeting our majors.
- Attend a UC San Diego career fair for an opportunity to network and possibly land a job.

BUILD YOUR RESUME

Consider doing research with faculty, graduate students or doing a consulting project through a student org.
