The textbook is definitely helpful for giving students more of an understanding of the material, but I do believe that students can do well in the course, with or without reading the textbook.

Useful.

I did not do much reading for this class

I didn't really use the textbook but i personally think that the videos are super helpful!

NA

The textbook is sort of helpful but it's hard to understand the textbook so I have to read it multiple times in order to just get the gist of it

The textbook offers some help, but everything cannot be learned by just reading.

never done the reading. did not get the textbook.

no

The videos are very helpful

The readings are helpful for better understandings.

no comment

n/a

readings are very supportive because it is brand new material for me and I am struggling at the very first beginning.
