I do not use the textbook very. Actually, I dont think that it is so useful, because professor talked a lot of practical models, which are not written in the book.

You don't have to read them to do well in the course.

Not hard.

The textbook is very helpful for grasping concepts. I generally use it when I'm still confused about a topic after I've looked through the Video Handbook and my lecture notes. However, I don't use the book for anything else.
