Quarter by Quarter Plan

Joint Mathematics-Economics Degree (B.S.) EN 28

For TRANSFER students entering FA12 and later

The plan below does not include most of the upper-division Math classes since they are not always offered the same quarters each year. Please consult the link below for help in planning the Math classes: http://www.math.ucsd.edu/resources/course_offerings/

This plan assumes that **Econ 1, 3 and Math 20A, 20B, 20C, 20D, and 18** (formerly 20F) are completed before you arrive at UCSD. If you are missing any of the lower-division math courses, we recommend you come in and speak with an advisor for assistance in creating a custom quarter by quarter plan.

FALL 20___	**WINTER 20___**	**SPRING 20___**
Econ 120A or Math 180A Econ 100A Math 109*	Econ 120B Econ 100B Upper Division Major**	Econ 120C Econ 100C Upper Division Major**
FALL 20___ Upper Division Major** Upper Division Major**	**WINTER 20___** Upper Division Major** Upper Division Major**	**SPRING 20___** Upper Division Major** Upper Division Major**

The upper-division requirements consist of a **total of fifteen upper-division courses, at least seven from one department and eight from the other**.

*Note on Math 109: Students completing Math 31CH may substitute a four-unit upper division mathematics elective for Math 109.

**The following requirements must be met (Numerically listed as on the degree audit and requirements checklist):
1. Math 109 or Math 31CH and One 4-unit upper division Math course
2. Math 100A-B or Math 102 or Math 170A
3. Math 140A or 142A
4. Math 130A or Math140B or Math 142B
5. Econ 100A-B-C
6. Econ 120A or Math 180A
6. Econ 120B or Math 181A-B
6. Econ 120C
7. Econ 110A-B or Math 171A-B or two from: Econ 171, 172A, 172B

8 & 9) Recommended electives:
Econ 109, 113, **171**, 173A-B,
174, 178 Math 130B, 190, 193A-
B, 194
